(ii) An individual designated by a public body in accordance with section 6 to accept and process requests for public records under this act.

15.233 Public records; right to inspect, copy, or receive; subscriptions; forwarding requests; file; inspection and examination; memoranda or abstracts; rules; compilation, summary, or report of information; creation of new public record; certified copies.

Sec. 3. (1) Except as expressly provided in section 13, upon providing a public body's FOIA coordinator with a written request that describes a public record sufficiently to enable the public body to find the public record, a person has a right to inspect, copy, or receive copies of the requested public record of the public body. A person has a right to subscribe to future issuances of public records that are created, issued, or disseminated on a regular basis. A subscription shall be valid for up to 6 months, at the request of the subscriber, and shall be renewable. An employee of a public body who receives a request for a public record shall promptly forward that request to the freedom of information act coordinator.

(2) A freedom of information act coordinator shall keep a copy of all written requests for public records on file for no less than 1 year.

(3) A public body shall furnish a requesting person a reasonable opportunity for inspection and examination of its public records, and shall furnish reasonable facilities for making memoranda or abstracts from its public records during the usual business hours. A public body may make reasonable rules necessary to protect its public records and to prevent excessive and unreasonable interference with the discharge of its functions. A public body shall protect public records from loss, unauthorized alteration, mutilation, or destruction.

(4) This act does not require a public body to make a compilation, summary, or report of information, except as required in section 11.

(5) This act does not require a public body to create a new public record, except as required in section 11, and to the extent required by this act for the furnishing of copies, or edited copies pursuant to section 14(1), of an already existing public record.

(6) The custodian of a public record shall, upon written request, furnish a requesting person a certified copy of a public record.

History: 1976, Act 442, Eff. Apr. 13, 1977; --Am. 1996, Act 553, Eff. Mar. 31, 1997.

15.234 Fee; waiver or reduction; affidavit; deposit; calculation of costs; limitation; provisions inapplicable to certain public records.

Sec. 4. (1) A public body may charge a fee for a public record search, the necessary copying of a public record for inspection, or for providing a copy of a public record. Subject to subsections (3) and (4), the fee shall be limited to actual mailing costs, and to the actual incremental cost of duplication or publication including labor, the cost of search, examination, review, and the deletion and separation

of exempt from nonexempt information as provided in section 14. A search for a public record may be conducted or copies of public records may be furnished without charge or at a reduced charge if the public body determines that a waiver or reduction of the fee is in the public interest because searching for or furnishing copies of the public record can be considered as primarily benefiting the general public. A public record search shall be made and a copy of a public record shall be furnished without charge for the first \$20.00 of the fee for each request to an individual who is entitled to information under this act and who submits an affidavit stating that the individual is then receiving public assistance or, if not receiving public assistance, stating facts showing inability to pay the cost because of indigency.

(2) A public body may require at the time a request is made a good faith deposit from the person requesting the public record or series of public records, if the fee authorized under this section exceeds \$50.00. The deposit shall not exceed 1/2 of the total fee.

(3) In calculating the cost of labor incurred in duplication and mailing and the cost of examination, review, separation, and deletion under subsection (1), a public body may not charge more than the hourly wage of the lowest paid public body employee capable of retrieving the information necessary to comply with a request under this act. Fees shall be uniform and not dependent upon the identity of the requesting person. A public body shall utilize the most economical means available for making copies of public records. A fee shall not be charged for the cost of search, examination, review, and the deletion and separation of exempt from nonexempt information as provided in section 14 unless failure to charge a fee would result in unreasonably high costs to the public body because of the nature of the request in the particular instance, and the public body specifically identifies the nature of these unreasonably high costs. A public body shall establish and publish procedures and guidelines to implement this subsection.

(4) This section does not apply to public records prepared under an act or statute specifically authorizing the sale of those public records to the public, or if the amount of the fee for providing a copy of the public record is otherwise specifically provided by an act or statute.

History: 1976, Act 442, Eff. Apr. 13, 1977 ;--Am. 1988, Act 99, Imd. Eff. Apr. 11, 1988; --Am. 1996, Act 553, Eff. Mar. 31, 1997.

15.235 Request to inspect or receive copy of public record; response to request; failure to respond; damages; contents of notice denying request; signing notice of denial; notice extending period of response; action by requesting person.

Sec. 5. (1) Except as provided in section 3, a person desiring to inspect or receive a copy of a public record shall make a written request for the public record to the FOIA coordinator of a public body. A written request made by facsimile, electronic mail, or other electronic transmission is not received by a public body's FOIA coordinator until 1 business day after the electronic transmission is made.

(2) Unless otherwise agreed to in writing by the person making the request, a public body shall respond to a request for a public record within 5 business days after the public body receives the request by doing 1 of the following:

(a) Granting the request.

(b) Issuing a written notice to the requesting person denying the request.

(c) Granting the request in part and issuing a written notice to the requesting person denying the request in part.

(d) Issuing a notice extending for not more than 10 business days the period during which the public body shall respond to the request. A public body shall not issue more than 1 notice of extension for a particular request.

(3) Failure to respond to a request pursuant to subsection (2) constitutes a public body's final determination to deny the request. In a circuit court action to compel a public body's disclosure of a public record under section 10, the circuit court shall assess damages against the public body pursuant to section 10(8) if the circuit court has done both of the following:

(a) Determined that the public body has not complied with subsection (2).

(b) Ordered the public body to disclose or provide copies of all or a portion of the public record.

(4) A written notice denying a request for a public record in whole or in part is a public body's final determination to deny the request or portion of that request. The written notice shall contain:

- (a) An explanation of the basis under this act or other statute for the determination that the public record, or portion of that public record, is exempt from disclosure, if that is the reason for denying all or a portion of the request.
 - (b) A certificate that the public record does not exist under the name given by the requester or by another name reasonably known to the public body, if that is the reason for denying the request or a portion of the request.
 - (c) A description of a public record or information on a public record that is separated or deleted pursuant to section 14, if a separation or deletion is made.
 - (d) A full explanation of the requesting person's right to do either of the following:
 - (i) Submit to the head of the public body a written appeal that specifically states the word "appeal" and identifies the reason or reasons for reversal of the disclosure denial.
 - (ii) Seek judicial review of the denial under section 10.
 - (e) Notice of the right to receive attorneys' fees and damages as provided in section 10 if, after judicial review, the circuit court determines that the public body has not complied with this section and orders disclosure of all or a portion of a public record.
- (5) The individual designated in section 6 as responsible for the denial of the request shall sign the written notice of denial.
- (6) If a public body issues a notice extending the period for a response to the request, the notice shall specify the reasons for the extension and the date by which the public body will do 1 of the following:
- (a) Grant the request.
 - (b) Issue a written notice to the requesting person denying the request.
 - (c) Grant the request in part and issue a written notice to the requesting person denying the request in part.
- (7) If a public body makes a final determination to deny in whole or in part a request to inspect or receive a copy of a public record or portion of that public record, the requesting person may do either of the following:
- (a) Appeal the denial to the head of the public body pursuant to section 10.
 - (b) Commence an action in circuit court, pursuant to section 10.

History: 1976, Act 442, Eff. Apr. 13, 1977; --Am. 1978, Act 329, Imd. Eff. July 11, 1978; --Am. 1996, Act 553, Eff. Mar. 31, 1997.

Compiler's Note: In subsection (3), the reference to "section 10(8)" evidently should be a reference to "section 10(7)."

15.236 FOIA coordinator.

Sec. 6. (1) A public body that is a city, village, township, county, or state department, or under the control of a city, village, township, county, or state department, shall designate an individual as the public body's FOIA coordinator. The FOIA coordinator shall be responsible for accepting and processing requests for the public body's public records under this act and shall be responsible for approving a denial under section 5(4) and (5). In a county not having an executive form of government, the chairperson of the county board of commissioners is designated the FOIA coordinator for that county.

(2) For all other public bodies, the chief administrative officer of the respective public body is designated the public body's FOIA coordinator.

(3) An FOIA coordinator may designate another individual to act on his or her behalf in accepting and processing requests for the public body's public records, and in approving a denial under section 5(4) and (5).

History: 1976, Act 442, Eff. Apr. 13, 1977; --Am. 1996, Act 553, Eff. Mar. 31, 1997.

15.240 Options by requesting person; appeal; orders; venue; de novo proceeding; burden of proof; private view of public record; contempt; assignment of action or appeal for hearing, trial, or argument; attorneys' fees, costs, and disbursements; assessment of award; damages.

Sec. 10. (1) If a public body makes a final determination to deny all or a portion of a request, the requesting person may do 1 of the following at his or her option:

- (a) Submit to the head of the public body a written appeal that specifically states the word "appeal" and identifies the reason or reasons for reversal of the denial.
- (b) Commence an action in the circuit court to compel the public body's disclosure of the public records within 180 days after a public body's final determination to deny a request.

- (2) Within 10 days after receiving a written appeal pursuant to subsection (1)(a), the head of a public body shall do 1 of the following:
- (a) Reverse the disclosure denial.
 - (b) Issue a written notice to the requesting person upholding the disclosure denial.
 - (c) Reverse the disclosure denial in part and issue a written notice to the requesting person upholding the disclosure denial in part.
 - (d) Under unusual circumstances, issue a notice extending for not more than 10 business days the period during which the head of the public body shall respond to the written appeal. The head of a public body shall not issue more than 1 notice of extension for a particular written appeal.
- (3) A board or commission that is the head of a public body is not considered to have received a written appeal under subsection (2) until the first regularly scheduled meeting of that board or commission following submission of the written appeal under subsection (1)(a). If the head of the public body fails to respond to a written appeal pursuant to subsection (2), or if the head of the public body upholds all or a portion of the disclosure denial that is the subject of the written appeal, the requesting person may seek judicial review of the nondisclosure by commencing an action in circuit court under subsection (1)(b).
- (4) In an action commenced under subsection (1)(b), a court that determines a public record is not exempt from disclosure shall order the public body to cease withholding or to produce all or a portion of a public record wrongfully withheld, regardless of the location of the public record. The circuit court for the county in which the complainant resides or has his or her principal place of business, or the circuit court for the county in which the public record or an office of the public body is located has venue over the action. The court shall determine the matter de novo and the burden is on the public body to sustain its denial. The court, on its own motion, may view the public record in controversy in private before reaching a decision. Failure to comply with an order of the court may be punished as contempt of court.
- (5) An action commenced under this section and an appeal from an action commenced under this section shall be assigned for hearing and trial or for argument at the earliest practicable date and expedited in every way.

15.243 Exemptions from disclosure; public body as school district or public school academy; withholding of information required by law or in possession of executive office.

Sec. 13. (1) A public body may exempt from disclosure as a public record under this act any of the following:

- (a) Information of a personal nature if public disclosure of the information would constitute a clearly unwarranted invasion of an individual's privacy.
- (b) Investigating records compiled for law enforcement purposes, but only to the extent that disclosure as a public record would do any of the following:
 - (i) Interfere with law enforcement proceedings.
 - (ii) Deprive a person of the right to a fair trial or impartial administrative adjudication.
 - (iii) Constitute an unwarranted invasion of personal privacy.
 - (iv) Disclose the identity of a confidential source, or if the record is compiled by a law enforcement agency in the course of a criminal investigation, disclose confidential information furnished only by a confidential source.
 - (v) Disclose law enforcement investigative techniques or procedures.
 - (vi) Endanger the life or physical safety of law enforcement personnel.
- (c) A public record that if disclosed would prejudice a public body's ability to maintain the physical security of custodial or penal institutions occupied by persons arrested or convicted of a crime or admitted because of a mental disability, unless the public interest in disclosure under this act outweighs the public interest in nondisclosure.
- (d) Records or information specifically described and exempted from disclosure by statute.
- (e) A public record or information described in this section that is furnished by the public body originally compiling, preparing, or receiving the record or information to a public officer or public body in connection with the performance of the duties of that public officer or public body, if the considerations originally giving rise to the exempt nature of the public record remain applicable.
- (f) Trade secrets or commercial or financial information voluntarily provided to an agency for use in developing governmental policy if:
 - (i) The information is submitted upon a promise of confidentiality by the public body.
 - (ii) The promise of confidentiality is authorized by the chief administrative officer of the public body or by an elected official at the time the promise is made.
 - (iii) A description of the information is recorded by the public body within a reasonable time after it has been submitted, maintained in a central place within the public body, and made available to a person upon request. This subdivision does not apply to information submitted as required by law or as a condition of receiving a governmental contract, license, or other benefit.
- (g) Information or records subject to the attorney-client privilege.
- (h) Information or records subject to the physician-patient privilege, the psychologist-patient privilege, the minister, priest, or Christian Science practitioner privilege, or other privilege recognized by statute or court rule.

- (ii) Three years have elapsed since the making of the appraisal, unless litigation relative to the acquisition has not yet terminated.

- (l) Medical, counseling, or psychological facts or evaluations concerning an individual if the individual's identity would be revealed by a disclosure of those facts or evaluation.
- (m) Communications and notes within a public body or between public bodies of an advisory nature to the extent that they cover other than purely factual materials and are preliminary to a final agency determination of policy or action. This exemption does not apply unless the public body shows that in the particular instance the public interest in encouraging frank communication between officials and employees of public bodies clearly outweighs the public interest in disclosure. This exemption does not constitute an exemption under state law for purposes of section 8(h) of the open meetings act, 1976 PA 267, MCL 15.268. As used in this subdivision, "determination of policy or action" includes a determination relating to collective bargaining, unless the public record is otherwise required to be made available under 1947 PA 336, MCL 423.201 to 423.217.

The department of history, arts, and libraries may promulgate rules in accordance with the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, to provide for the disclosure of the location of archaeological sites for purposes relating to the preservation or scientific examination of sites.
- (p) Testing data developed by a public body in determining whether bidders' products meet the specifications for purchase of those products by the public body, if disclosure of the data would reveal that only 1 bidder has met the specifications. This subdivision does not apply after 1 year has elapsed from the time the public body completes the testing.
- (q) Academic transcripts of an institution of higher education established under section 5, 6, or 7 of article VIII of the state constitution of 1963, if the transcript pertains to a student who is delinquent in the payment of financial obligations to the institution.
- (r) Records of a campaign committee including a committee that receives money from a state campaign fund.

 - (ii) Identify or provide a means of identifying a law enforcement undercover officer or agent or a plain clothes officer as a law enforcement officer or agent.
 - (iii) Disclose the personal address or telephone number of active or retired law enforcement officers or agents or a special skill that they may have.

 - (v) Records or information relating to a civil action in which the requesting party and the public body are parties.
 - (w) Information or records that would disclose the social security number of an individual.

However, after 1 or more individuals have been identified as finalists for a position described in this subdivision, this subdivision does not apply to a public record described in this subdivision, except a letter of recommendation or reference, to the extent that the public record relates to an individual identified as a finalist for the position.
 - (y) Records or information of measures designed to protect the security or safety of persons or property, whether public or private, including, but not limited to, building, public works, and public water supply designs to the extent that those designs relate to the ongoing security measures of a public body, capabilities and plans for responding to a violation of the Michigan anti-terrorism act, chapter LXXXIII-A of the Michigan penal code, 1931 PA 328, MCL 750.543a to 750.543z, emergency response plans, risk planning documents, threat assessments, and domestic preparedness strategies, unless disclosure would not impair a public body's ability to protect the security or safety of persons or property or unless the public interest in disclosure outweighs the public interest in nondisclosure in the particular instance.
- (2) A public body shall exempt from disclosure information that, if released, would prevent the public body from complying with section 444 of subpart 4 of part C of the general education provisions act, title IV of Public Law 90-247, 20 U.S.C. 1232g, commonly referred to as the family educational rights and privacy act of 1974. A public body that is a local or intermediate school district or a public school academy shall exempt from disclosure directory information, as defined by section 444 of subpart 4 of part C of the general education provisions act, title IV of Public Law 90-247, 20 U.S.C. 1232g, commonly referred to as the family educational rights and privacy act of 1974, requested for the purpose of surveys, marketing, or solicitation, unless that public body determines that the use is consistent with the educational mission of the public body and beneficial to the affected students. A public body that is a local or intermediate school district or a public school academy may take steps to ensure that directory information disclosed under this subsection shall not be used, rented, or sold for the purpose of surveys, marketing, or solicitation. Before disclosing the directory information, a public body that is a local or intermediate school district or a public school academy may require the requester to execute an affidavit stating that directory information provided under this subsection shall not be used, rented, or sold for the purpose of surveys, marketing, or solicitation.
- (3) This act does not authorize the withholding of information otherwise required by law to be made available to the public or to a party in a contested case under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

If the person produces evidence that an accommodation would impose an undue hardship on that person, the person with a disability shall bear the burden of proving by a preponderance of the evidence that an accommodation would not impose an undue hardship on that person.

(2) Except as provided in subsections (7), (13), and (17), if the person employs fewer than 4 employees and is required under this article to purchase any equipment or device to accommodate the person with a disability, the total purchase cost required to be paid by that person for that equipment or device is limited to an amount equal to the state average weekly wage. If the cost of the accommodation does not exceed the limitation established for that accommodation, the accommodation does not impose an undue hardship on that person.

(3) Except as provided in subsections (7), (13), and (17), if the person employs 4 or more employees but fewer than 15 employees and is required under this article to purchase any equipment or device to accommodate the person with a disability, the total purchase cost required to be paid by that person is limited to an amount equal to 1.5 times the state average weekly wage. If the cost of an accommodation under this subsection exceeds the limitation established for that accommodation, the accommodation imposes an undue hardship on that person. (4) Except as provided in subsections (6), (7), (13), and (17), if the person employs 15 or more employees but fewer than 25 employees and is required under this article to purchase any equipment or device to accommodate the person with a disability, the total purchase cost required to be paid by that person is limited to an amount equal to 2.5 times the state average weekly wage. If the cost of an accommodation under this subsection exceeds the limitation established for that accommodation, the accommodation imposes an undue hardship on that person. If the cost of an accommodation under this subsection exceeds the limitation established for that accommodation, the accommodation imposes an undue hardship on that person. If the cost of the accommodation does not exceed the limitation established for that accommodation, the accommodation does not impose an undue hardship on that person.

(9) Except as provided in subsections (13) and (17), if the person employs 4 or more employees but fewer than 15 employees and is required to hire or retain 1 or more individuals as readers or interpreters to accommodate the person with a disability in performing the duties of his or her job, the cost required to be paid by that person is limited to an amount equal to 10 times the state average weekly wage for the first year the person with a disability is hired, promoted, or transferred to that job, and 7 times the state average weekly wage for each year after the first year the person with a disability is hired, promoted, or transferred to that job. If the cost of an accommodation under this subsection exceeds the limitation established for that accommodation, the accommodation imposes an undue hardship on that person. If the cost of the accommodation does not exceed the limitation established for that accommodation, the accommodation does not impose an undue hardship on that person.

(10) Except as provided in subsections (12), (13), and (17), if the person employs 15 or more employees but fewer than 25 employees and is required to hire or retain 1 or more individuals as readers or interpreters to accommodate the person with a disability in performing the duties of his or her job, the cost required to be paid by that person is limited to an amount equal to 15 times the state average weekly wage for the first year the person with a disability is hired, promoted, or transferred to that job, and 10 times the state average weekly wage for each year after the first year the person with a disability is hired, promoted, or transferred to that job. If the cost of an accommodation under this subsection exceeds the limitation established for that accommodation, the accommodation imposes an undue hardship on that person. If the cost of the accommodation does not exceed the limitation established for that accommodation, the accommodation does not impose an undue hardship on that person.

(11) Except as provided in subsections (12), (13), and (17), if the person employs 25 or more employees and the cost required to hire or retain 1 or more individuals as readers or interpreters to accommodate the person with a disability in performing the duties of his or her job is less than or equal to 15 times the state average weekly wage for the first year the person with a disability is hired, promoted, or transferred to that job, and is less than or equal to 10 times the state average weekly wage for each year after the first year the person with a disability is hired, promoted, or transferred to that job, the accommodation does not impose an undue hardship on that person.

(12) Except as provided in subsections (13) and (17), if the person employs 15 or more employees and the cost required to hire or retain 1 or more individuals as readers or interpreters to accommodate the person with a disability in performing the duties of his or her job is less than or equal to 15 times the state average weekly wage for the first year the person with a disability is hired, promoted, or transferred to that job, and is less than or equal to 10 times the state average weekly wage for each year after the first year the person with a disability is hired, promoted, or transferred to that job, the accommodation does not impose an undue hardship on that person.

(13) If the person with a disability is a temporary employee, the limitations established for accommodations under subsections (2), (3), (4), (5), (6), (8), (9), (10), (11), and (12) are reduced by 50%.

(15) Job restructuring and altering the schedule of employees under this article applies only to minor or infrequent duties relating to the particular job held by the person with a disability.

(16) If a person can accommodate a person with a disability under this article only by purchasing equipment or devices and hiring or retaining 1 or more individuals as readers or interpreters, the person shall, subject to subsections (2) to (13) and subsection (17), purchase the equipment or devices and hire or retain 1 or more individuals as readers or interpreters to accommodate that person with a disability. However, if the person can accommodate that person with a disability by purchasing equipment or devices or by hiring or retaining 1 or more individuals as readers or interpreters, the person shall consult the person with a disability and, subject to subsections (2) to (13) and subsection (17), choose whether to purchase equipment or devices or hire or retain 1 or more individuals as readers or interpreters.

If a proceeding is not so initiated, the commission may obtain a court order for enforcement of its order upon showing that a copy of the petition for enforcement was served on the respondent, that the respondent is subject to the jurisdiction of the court, that the order sought to be enforced is an order of the commission, regularly entered, and that the commission has jurisdiction over the subject matter and the respondent.

(f) An estimate of the amounts needed for deficiency, contingent, or emergency purposes.

(g) Other data relating to fiscal conditions that the chief administrative officer considers to be useful in considering the financial needs of the local unit.

(2) The total estimated expenditures, including an accrued deficit, in the budget shall not exceed the total estimated revenues, including an available unappropriated surplus and the proceeds from bonds or other obligations issued under the fiscal stabilization act or the balance of the principal of these bonds or other obligations.

(2) The general appropriations act shall set forth the total number of mills of ad valorem property taxes to be levied and the purposes for which that millage is to be levied. The amendatory act that added this subsection shall be known and may be cited as "the truth in budgeting act".

(3) The general appropriations act shall set forth the amounts appropriated by the legislative body to defray the expenditures and meet the liabilities of the local unit for the ensuing fiscal year, and shall set forth a statement of estimated revenues, by source, in each fund for the ensuing fiscal year.

(4) The general appropriations act shall be consistent with uniform charts of accounts prescribed by the state treasurer or, for local school districts and intermediate school districts, by the state board of education.

(6) The legislative body shall determine the amount of money to be raised by taxation necessary to defray the expenditures and meet the liabilities of the local unit for the ensuing fiscal year, shall order that money to be raised by taxation, within statutory and charter limitations, and shall cause the money raised by taxation to be paid into the funds of the local unit.

(7) Except as otherwise permitted by section 102 of the state school aid act of 1979, 1979 PA 94, MCL 388.1702, or by other law, the legislative body shall not adopt a general appropriations act or an amendment to that act which causes estimated total expenditures, including an accrued deficit, to exceed total estimated revenues, including an available surplus and the proceeds from bonds or other obligations issued under the fiscal stabilization act, 1981 PA 80, MCL 141.1001 to 141.1011, or the balance of the principal of these bonds or other obligations.

141.437 General appropriations act; amendment; reports; recommendations.

Sec. 17. (1) Except as otherwise provided in section 19, a deviation from the original general appropriations act shall not be made without amending the general appropriations act. Subject to section 16(2), the legislative body of the local unit shall amend the general appropriations act as soon as it becomes apparent that a deviation from the original general appropriations act is necessary and the amount of the deviation can be determined. An amendment shall indicate each intended alteration in the purpose of each appropriation item affected by the amendment. The legislative body may require that the chief administrative officer or fiscal officer provide it with periodic reports on the financial condition of the local unit.

(2) If, during a fiscal year, it appears to the chief administrative officer or to the legislative body that the actual and probable revenues from taxes and other sources in a fund are less than the estimated revenues, including an available surplus upon which appropriations from the fund were based and the proceeds from bonds or other obligations issued under the fiscal stabilization act, 1981 PA 80, MCL 141.1001 to 141.1011, or the balance of the principal of these bonds or other obligations, the chief administrative officer or fiscal officer shall present to the legislative body recommendations which, if adopted, would prevent expenditures from exceeding available revenues for that current fiscal year. The recommendations shall include proposals for reducing appropriations from the fund for budgetary centers in a manner that would cause the total of appropriations to not be greater than the total of revised estimated revenues of the fund, or proposals for measures necessary to provide revenues sufficient to meet expenditures of the fund, or both. The recommendations shall recognize the requirements of state law and the provisions of collective bargaining agreements.

Sec. 18. (1) A member of the legislative body, chief administrative officer, administrative officer, or employee of the local unit shall not create a debt or incur a financial obligation on behalf of the local unit unless the debt or obligation is permitted by law.

(2) The chief administrative officer may cause the appropriations made by the legislative body for the local unit and its budgetary centers to be divided into allotments if the allotments are based upon the periodic requirements of the local unit and its budgetary centers.

(3) Except as otherwise provided in section 19, an administrative officer of the local unit shall not incur expenditures against an appropriation account in excess of the amount appropriated by the legislative body. The chief administrative officer, an administrative officer, or an employee of the local unit shall not apply or divert money of the local unit for purposes inconsistent with those specified in the appropriations of the legislative body.

Sec. 20. A violation of sections 17 to 19 by the chief administrative officer, an administrative officer, employee, or member of the legislative body of the local unit disclosed in an audit of the financial records and accounts of the local unit in the absence of reasonable procedures in use by the local unit to detect such violations shall be filed with the state treasurer and reported by the state treasurer to the attorney general. For local and intermediate school districts, the report of a violation shall be filed with the state superintendent of public instruction instead of the state treasurer. The attorney general shall review the report and initiate appropriate action against the chief administrative officer, fiscal officer, administrative officer, employee, or member of the legislative body. For the use and benefit of the local unit, the attorney general or prosecuting attorney may institute a civil action in a court of competent jurisdiction for the recovery of funds of a local unit, disclosed by an examination to have been illegally expended or collected as a result of malfeasance and not accounted for as provided in sections 17 to 19, and for the recovery of public property disclosed to have been converted or misappropriated.

PART III

GENERAL

141.2301 Issuance of municipal security.

Sec. 301. A municipality shall not issue a municipal security except in accordance with this act.

History: 2001, Act 34, Eff. Mar. 1, 2002.

141.2303 Annual audit report and qualifying statement; filing by municipality; compliance requirements; determination; correction of noncompliant requirements; reconsideration; order granting exception from prior approval.

Sec. 303. (1) Each municipality shall file an audit report annually with the department within 6 months from the end of its fiscal year or as otherwise provided in the uniform budgeting and accounting act, 1968 PA 2, MCL 141.421 to 141.440a.

(2) Accompanying the audit report described in subsection (1), a municipality shall file a qualifying statement, on a form and in the manner provided by the department, which shall be certified by the chief administrative officer. Within 30 business days of the receipt of the qualifying statement, the department shall determine if the municipality complies with the requirements of subsection (3). If the department determines that the municipality complies with the provisions of subsection (3) or if the department fails to notify the municipality of its determination under this subsection within 30

business days of receipt of the qualifying statement, the municipality may proceed to issue municipal securities under this act without further approval from the department until 30 business days after the next qualifying statement is due or a new determination is made by the department, whichever occurs first.

(3) To qualify to issue municipal securities without further approval from the department, the municipality shall be in material compliance with all of the following requirements, as determined by the department:

- (a) The municipality is not operating under the provisions of the local government fiscal responsibility act, 1990 PA 72, MCL 141.1201 to 141.1291.
 - (b) The municipality did not issue securities in the immediately preceding 5 fiscal years or current fiscal year that were authorized by either the emergency municipal loan act, 1980 PA 243, MCL 141.931 to 141.942, other than a security issued for a loan authorized under section 3(2)(a) of the emergency municipal loan act, 1980 PA 243, MCL 141.933, or the fiscal stabilization act, 1981 PA 80, MCL 141.1001 to 141.1011.
 - (c) The municipality was not required by the terms of a court order or judgment to levy a tax in the preceding fiscal year. For purposes of this subdivision, the department may determine that a court order or judgment to levy a tax is not material if it did not have an adverse financial impact on the municipality.
 - (d) The most recent audit report, as required by the uniform budgeting and accounting act, 1968 PA 2, MCL 141.421 to 141.440a, was filed with the department within 6 months from the end of the fiscal year of the municipality.
 - (e) The debt retirement fund balance for any municipal security that is funded from an unlimited tax levy does not exceed 150% of the amount required for principal and interest payments due for that municipal security in the next fiscal year.
 - (f) The municipality is not currently exceeding its statutory or constitutional debt limits.
 - (g) The municipality has no outstanding securities that were not authorized by statute.
 - (h) The municipality is not currently and during the preceding fiscal year was not in violation of any provisions in the covenants for an outstanding security.
 - (i) The municipality was not delinquent more than 1 time in the preceding fiscal year in transferring employee taxes withheld to the appropriate agency, transferring taxes collected as agent for another taxing entity to that taxing unit, or making all required pension, retirement, or benefit plan contributions.
 - (j) The most recent delinquent property taxes of the municipality, without regard to payments received from the county under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157, did not exceed 18% of the amount levied.
 - (k) The municipality did not submit a qualifying statement or an application for any other municipal security in the preceding 12 months that was materially false or incorrect.
 - (l) The municipality is not in default on the payment of any debt, excluding industrial development revenue bonds issued under the industrial development revenue bond act of 1963, 1963 PA 62, MCL 125.1251 to 125.1267, economic development corporation bonds issued under the economic development corporations act, 1974 PA 338, MCL 125.1601 to 125.1636, bonds issued by a local hospital finance authority for a private hospital under the hospital finance authority act, 1969 PA 38, MCL 331.31 to 331.84, or any other debt for which the municipality is not financially liable.
 - (m) The municipality did not end the immediately preceding fiscal year with a deficit in any fund, unless the municipality has filed a financial plan to correct that deficit condition that is acceptable to the department.
 - (n) The municipality has not been found by a court of competent jurisdiction to be in violation of any finance or tax-related state or federal statutes during the preceding fiscal year.
 - (o) The municipality has not been determined by the department to be in violation of this act during the preceding fiscal year.

- (4) If a municipality is notified within 30 business days of the filing of the qualifying statement that it does not comply with 1 or more of the requirements of subsection (3), the municipality may correct

the noncompliant requirements and request a reconsideration of the determination from the department as provided in subsection (5).

(5) A municipality may request a reconsideration of the determination from the department. That request shall indicate the requirements that the department determined the municipality to be not in compliance with and the action taken by the municipality to correct the noncompliance. Within 30 business days of the receipt of the request for reconsideration, the department shall determine if the municipality complies with the requirements of subsection (3) or, if the department fails to notify the municipality of its determination under this subsection within 30 business days of receipt of the request for reconsideration, the municipality will be granted qualified status.

(6) If a municipality is notified within 30 business days after filing a request for reconsideration that it does not comply with the requirements of subsection (3), the municipality shall not issue municipal securities under this act without the prior written approval of the department to issue a municipal security as provided in subsections (7) and (8).

(7) If a municipality has not been granted qualified status, the municipality must obtain, for each municipal security, the prior written approval of the department to issue a municipal security. To request prior written approval to issue a municipal security, the municipality shall submit an application and supporting documentation to the department on a form and in a manner prescribed by the department, which shall be certified by the chief administrative officer. A filing fee equal to 0.03% of the principal amount of the municipal security to be issued, but not less than \$800.00 and not greater than \$2,000.00 as determined by the department, shall accompany each application. If the qualifying statement required by subsection (2) was received by the department more than 6 months after the end of the municipality's fiscal year, a late fee of \$100.00 shall accompany the first application filed after that date. Within 30 business days of receiving an application, the fee, and supporting documentation from a municipality, the department shall make a determination whether the municipality has met all of the following requirements:

(a) Has indicated the authority to issue the municipal security requested.

(b) Is projected to be able to repay the municipal security when due.

(c) Has filed information with the department indicating compliance with the requirements of subsection (3) or adequately addressed any noncompliance with subsection (3) as determined by the department.

(d) If required by the department, has obtained an investment grade rating for the municipal security or has purchased insurance for payment of the principal and interest on the municipal security to the holders of the municipal security, or has otherwise enhanced the creditworthiness of the municipal security.

(8) If the department determines that the requirements in subsection (7) have been met, the department shall approve the issuance of the proposed municipal security. If the department determines that the requirements in subsection (7) have not been met, the department shall issue a notice of deficiency to the municipality that prevents the issuance of the proposed municipal security. The notice of deficiency shall state the specific deficiencies and problems with the proposed issuance. After the deficiencies and problems have been addressed as determined by the department, the department shall approve the issuance of the proposed municipal security.

(9) A determination by the department that a municipality has been granted qualified status constitutes an order granting exception from prior approval under former 1943 PA 202, of that municipality's securities.

(b) The sale will result in an interest cost savings when compared to the best available alternative that does not include a municipal security being sold at a discount exceeding 10% of the principal amount.

(c) The issuance is based on the availability of specific revenues previously pledged for another purpose and lawfully available for this purpose.

(d) The municipal security is issued to this state or the federal government to secure a loan or agreement.

(8) A municipal security may bear no interest and appreciate as to principal amount if it meets the requirements of subsections (3), (4), and (6). The accreted principal amount of a municipal security shall be considered interest and shall be within the interest rate limitations provided in subsection (1).

(2) By resolution of its governing body and without a vote of the electors, an authority organized under 1957 PA 206, MCL 259.621 to 259.631, or a public airport authority created or incorporated under the public airport authority act, chapter VIA of the aeronautics code of the state of Michigan,

1945 PA 327, MCL 259.108 to 259.125c, may borrow money and issue short-term municipal securities maturing not more than 1 year from the date of issue in anticipation of the collection of revenues to which it will be entitled to receive within 1 year from the date of the short-term municipal securities' issuance. The amount of the short-term municipal securities issued under this section shall not exceed 50% of the revenues collected in the preceding fiscal year not pledged for the payment of a security other than a short-term municipal security issued under this section as conclusively certified by the governing body of the authority. The resolution shall provide for the pledging of all or a portion of the revenues of the authority not previously pledged for the payment of a security. The resolution may also provide for the pledging of other assets of the authority as additional security for the payment of the short-term municipal security. The resolution also shall provide that from the receipts of the revenues in anticipation of which the authority issued the short-term municipal security, there shall be set aside in a special fund to be used for the payment of principal and interest on the short-term municipal security a portion of each dollar received that is not less than 125% of the percentage that the principal amount of the short-term municipal security bears to the amount certified as the revenues estimated to be collected, until the amount set aside is sufficient for the payment of principal and interest on the short-term municipal security. The amount set aside shall be used only for the payment of the principal and interest on the short-term municipal security until the short-term municipal security is paid as to both principal and interest. Except when in conflict with the requirements of section 9 of 1957 PA 206, MCL 259.629, the short-term municipal securities authorized under this subsection are subject to this act.

History: 2001, Act 34, Eff. Mar. 1, 2002;--Am. 2002, Act 541, Imd. Eff. July 26, 2002.

141.2403 Resolution authorizing municipal security; tax levy provision; operating expenditures; limitation; set aside of taxes collected; tax installments; capital improvements; debt service charges.

Sec. 403. (1) If a municipality issues a municipal security in anticipation of the collection of the taxes for the next succeeding fiscal year, the resolution authorizing a municipal security shall contain an irrevocable provision for the levying of a tax in the next succeeding fiscal year for the purpose for which the municipal security is to be made and the repayment of the municipal security from the receipt of taxes.

(2) A municipality may issue the short-term municipal security described in subsection (1) to pay for operating expenditures. As used in this section, "operating expenditures" means 1 or more of the following:

The authorizing resolution shall provide that from the first collections of the operating taxes for the next succeeding fiscal year, there shall be set aside in a special fund to be used for the payment of principal and interest on the tax anticipation municipal security, a portion of each dollar that is not less than 125% of the percentage that the principal amount of the municipal security bears to the amount of the operating taxes until the amount set aside is sufficient for the payment. If a municipality collects its taxes in installments and issues a municipal security in anticipation of more than 1 installment, the requirements of the preceding sentence shall apply to each installment of taxes. The collection of the taxes to be set aside shall not be used for any other purpose. If the municipality determines that issuing municipal securities for this purpose will result in a deficiency in the funds available to pay the necessary operating expenditures of the next succeeding fiscal year, the municipality shall levy additional taxes in the future from within constitutional, charter, and statutory limits to prevent a continuation of the deficiency from year to year.

(4) A municipality may issue a short-term municipal security described in subsection (1) to pay for 1 or more capital improvements that can be legally and properly provided for in the budget of the municipality for the fiscal year in which the municipality issues the short-term municipal security.

The principal amount of the municipal security issued for this purpose shall not exceed the sum set forth in the authorizing resolution to be levied for the improvement. The authorizing resolution shall provide that from the first collection of taxes for the next succeeding fiscal year, there shall be set aside in a special fund to be used for the payment of principal and interest on the short-term municipal security that percentage of the collection that the tax levied for capital outlay bears to the total levy, and until the amount set aside is sufficient for the payment, collection of the taxes to be set aside shall not be used for any other purpose.

(5) A municipality may issue the short-term municipal security described in subsection (1) to pay debt service charges or obligations on municipal securities or agreements described in section 317(5).

141.2701 Annual tax levy; determination; limitation not applicable; adjustment in event of surplus funds; use of money remaining in debt retirement fund; priority; set aside of tax collections allocable to principal and interest payment; failure of officer to perform duties; “tax levy” defined.

Sec. 701. (1) Subject to subsection (3), if a municipality has municipal securities outstanding, or with the approval of its electors has authorized the issuance of municipal securities to be paid from collections of its next tax levy, an officer or official body charged with a duty in connection with the

determination of the amount of the next taxes to be raised or with the levying of the next taxes, shall include all of the following in the amount of taxes levied each year:

- (a) An amount such that the estimated collections will be sufficient to promptly pay, when due, the interest on all municipal securities and the portion of the principal falling due whether by maturity or by mandatory redemption before the time of the following year's tax collection.
- (b) An amount, if there are outstanding mandatory redemption refunding securities, sufficient to provide the sum required to be deposited, by the ordinance or resolution authorizing the issue, into the sinking fund for that purpose before the time of the following year's tax collection.
- (c) An amount, if there are outstanding mandatory redemption municipal securities other than refunding securities not required to be redeemed in annual amounts before the maturity of the outstanding mandatory redemption municipal securities, that if deposited annually into a sinking fund will, with the existing sinking fund pertaining to the municipal securities and the increment of the municipal securities, be sufficient to pay the municipal securities at maturity.
- (d) An amount necessary to pay debt service charges or obligations on municipal securities or agreements described in section 317(5) falling due in the immediately preceding fiscal year, to the extent that the tax levy in the preceding fiscal year was inadequate to pay, when due, the debt service charges or obligations on municipal securities or agreements described in section 317(5).

The municipality shall do 1 or more of the following with the proceeds of the tax levy:

- (i) Deposit in the debt retirement fund established for the municipal securities and used to pay debt service charges or obligations on municipal securities or agreements described in section 317(5).

(2) Subsection (1) does not limit the amount required to be levied in a year for the purposes prescribed in that subsection, by the terms of an ordinance or resolution authorizing the issuance of the municipal securities.

(3) If the municipal securities were authorized or issued before December 23, 1978, or were approved by the electors of a municipality, the municipality shall levy the full amount of taxes required by this section for the payment of the municipal securities without limitation as to rate or amount and in addition to other taxes that the municipality may be authorized to levy. If the municipal securities were authorized or issued by a municipality after December 22, 1978, and were not approved by the electors of the municipality, the municipality shall set aside each year from the levy and collection of ad valorem taxes as required by this section as a first budget obligation for the payment of the municipal securities. However, the ad valorem taxes shall be subject to applicable charter, statutory, or constitutional rate limitations.

(4) If there is surplus money on hand for the payment of principal or interest at the time of making an annual tax levy, and provision has not been made in the authorizing resolution for the disposition of that money, the annual levy for principal or interest shall be adjusted to reflect available funds.

(5) Money remaining in a debt retirement fund from the levy of a tax or an account within a debt retirement fund from the levy of a tax after the retirement of all municipal securities payable from that fund shall be used in the following order of priority:

- (a) To pay other outstanding unlimited tax full faith and credit municipal securities.
- (b) To pay other outstanding limited tax full faith and credit municipal securities.
- (c) To be deposited in the general fund of the municipality.

(6) As taxes are collected, there shall be set aside that portion of the collections that is allocable to the payment of the principal and interest on the municipal securities. The portion set aside shall be divided pro rata among the various sinking funds and debt retirement funds in accordance with the amount levied for that purpose. Tax collections paid into a debt retirement fund, if the fund is for the payment of more than 1 issue of municipal securities, shall be allocated on the books and records of the municipality between the various issues in accordance with the amounts levied for that purpose.

(7) An officer who willfully fails to perform duties required by this section is personally liable to the municipality or to a holder of a municipal security for loss or damage arising from his or her failure.

(8) As used in this section, "tax levy" includes special assessments.

- (a) Voted debt.
 - (b) Nonvoted debt, other than special assessment debt.

168.358 Election of township officers and submission of propositions; general November election.

Sec. 358. (1) In every township, there shall be a general November election in each even-numbered year for the election of officers and the submission of propositions, as provided by law. At the 1980 general November election, there shall be elected by ballot all of the following township officers:

- (a) A supervisor.
- (b) A clerk.
- (c) A treasurer.
- (d) Two trustees.
- (e) Not more than 4 constables.
- (f) If authorized by law and after a township takes the actions provided in section 11 of 1877 PA 164, MCL 397.211, 6 free public library directors.
- (g) If a township takes the actions provided in section 1 of former 1931 PA 271 or section 6 of 1905 PA 157, MCL 41.426, the number of park commission members provided for under section 6 of 1905 PA 157, MCL 41.426.

(2) Except as otherwise provided in this subsection, the order of offices on the township portion of the ballots shall be the same as the order in which the officers are listed in subsection (1). Free public library directors shall be listed on the nonpartisan portion of the ballot.

(3) Subject to the limitation in subsection (1), the number of constables to be elected at the 1992 general November election and each general November election at which township offices are regularly to be elected after 1992 shall be determined by the township board by resolution not less than 6 months before the township primary election preceding the general November election. The resolution that specifies the number of constables to be elected applies in that township until a subsequent resolution is adopted altering that number. If a determination as to the number of constables to be elected is not made by the township board by the deadline under this subsection for the 1992 general election, the number of constables to be elected shall be the same number that was

elected in that township in the 1988 general November election until a resolution is adopted to provide for the election of a different number of constables.

(4) In a township having a population of 5,000 or more, or having 3,000 or more qualified and registered electors as shown by the registration records at the close of registration for the last preceding general November election, there may be elected 4 trustees. A township shall not elect 4 trustees unless the election of additional trustees is approved by the voters at a general November election or by a majority of the voters attending at an annual meeting. The township board of a township having a population of 5,000 or more, or having 3,000 or more qualified and registered electors, shall cause the question of electing additional trustees to be voted on at the first general November election or annual meeting following the township's qualifying for additional trustees. If a majority of the electors voting on the question vote in favor of electing 4 trustees, the township shall thereafter elect 4 trustees. If a majority of the electors voting on the question do not vote in favor of electing 4 trustees, the township board may resubmit the question at a subsequent general November election or annual meeting or the question shall be submitted at the first general November election or annual meeting held not less than 84 days following the submission of a petition containing the signatures of not less than 10% of the registered and qualified electors of the township, as shown by the registration records at the close of registration for the last general November election, asking that the question be submitted.

(5) At the first general November election in a township held not less than 4 months after the provisions of this section relative to additional trustees are adopted by a township, there shall be elected the number of trustees necessary to make a total of 4 trustees. If the additional trustees are elected at a general November election that is not a regular township election, the additional trustees shall hold office only until a successor is elected at the next regular township election and qualifies for office.

(6) This section does not prohibit townships electing 4 trustees as of September 13, 1958 from continuing to do so.

TAX ROLL

211.43 Notice of taxes apportioned to township; bond; schedule for delivering tax collections; alternative schedule; accounting for and delivering tax collections; resolution; willfully neglecting or refusing to perform duty; penalty; interest earned; alternative agreement; definitions.

Sec. 43. (1) The supervisor of each township, immediately upon authorization to raise money by taxation pursuant to an election held under section 36 or on or before the November 5 in each year, shall notify the township treasurer of the amount of the state, county, school, and public transportation authority taxes as apportioned to his or her township.

(2) The treasurer, immediately upon authorization to raise money by taxation pursuant to an election held under section 36 or on or before the third day immediately preceding the day the taxes to be collected become a lien, shall give to the county treasurer a bond running to the county in the actual amount of state, county, and school taxes, except school taxes collected through a city treasurer, with sufficient sureties to be approved by the supervisor of the township and the county treasurer, conditioned that he or she will pay over to the county treasurer as required by law all state and county taxes, pay over to the respective school treasurers all school taxes that he or she collects during each year of his or her term of office, and duly and faithfully perform all the other duties of the office of treasurer. If a corporate surety bond is provided, the bond shall be approved only by the county treasurer. If the bond is furnished by a surety company authorized to transact business under the laws of this state, it is sufficient that the bond is equal to 40% of the amount of state, county, and school taxes. If the bond is furnished by a surety company, the premium and cost of the bond given to the county shall be paid by the county treasurer from the general fund of the county against which the premium and cost is made a charge. However, the county treasurer having paid the premium may bill each district school board afforded protection by the bond that portion of the premium charge as is allocated to the school taxes and the school district treasurers shall pay that allocated premium charge

as determined by the county treasurer for the protection of school taxes from available school district funds. If the county treasurer and township supervisor determine that the bond of the township treasurer recorded with the township clerk and on file with the township supervisor is adequate and sufficient to safeguard the proper accounting of state, county, and school taxes as required by law, the township treasurer shall not be required to file with the county treasurer the bond provided for in this section. The county treasurer shall deliver to the supervisor on or before the day the taxes to be collected become a lien a signed statement of approval of the bond. Upon the receipt of the signed statement and on or before the day the taxes to be collected become a lien, the supervisor shall deliver to the township treasurer the tax roll of this township. The county treasurer shall file and safely keep the bond in his or her office and shall give to the township treasurer a receipt stating that the required bond was received, which receipt the township treasurer shall deliver to the supervisor on or before the day the taxes to be collected become a lien. After the delivery of the receipt and on or before the day the taxes to be collected become a lien, the supervisor shall deliver to the township treasurer the tax roll of the township.

(3) Except as provided in subsections (4) and (5), tax collections shall be delivered pursuant to the following schedule:

- (a) Within 10 business days after the first and fifteenth day of each month, the township or city treasurer shall account for and deliver to the county treasurer the total amount of state and county tax collections on hand on the first and fifteenth day of each month; to the school district treasurers the total amount of school tax collections on hand on the first and fifteenth day of each month; and to the public transportation authorities the total amount of public transportation authority tax collections on hand the first and fifteenth day of each month. If the intermediate school district and community college district provide for direct payment pursuant to subsection (9), the township or city treasurer shall also account for and deliver to the intermediate school district and the community college district the total respective amounts of school tax collections on hand the first and fifteenth day of each month. This subdivision shall not apply to the month of March.
 - (b) Within 10 business days after the last day of February, the township or city treasurer shall account for and deliver to the county treasurer at least 90% of the total amount of state and county tax collections on hand on the last day of February; to the school district treasurers at least 90% of the total amount of school tax collections on hand on the last day of February; and to the public transportation authorities at least 90% of the total amount of public transportation authority tax collections on hand on the last day of February. If the intermediate school district and community college district provide for direct payment pursuant to subsection (9), the township or city treasurer shall also account for and deliver to the intermediate school district and community college district at least 90% of the total respective amounts of school tax collections on hand on the last day of February.
 - (c) A final adjustment and delivery of the total amount of tax collections on hand for the county, community college districts, intermediate school districts, school districts, and public transportation authorities shall be made not later than April 1 of each year.
- (4) Instead of following the schedule prescribed in subsection (3), the township or city serving as the tax collecting unit and the local governmental unit for which the tax collections are made may enter into an agreement to establish an alternative schedule for delivering tax collections.
- (5) A township that has a state equalized valuation of \$15,000,000.00 or less shall account for and deliver to the county treasurer, the school district treasurers, and the public transportation authorities and, if the intermediate school district and community college district provide for direct payment pursuant to subsection (9), the intermediate school district treasurers and community college treasurers the taxes collected up to and including January 10, within 10 business days after January 10. However, a township treasurer subject to this subsection shall at no time have on hand collections of state, county, community college, intermediate school district if applicable pursuant to subsection (9), school district, and public transportation authority taxes in excess of 25% of the amount of the taxes apportioned to the township and, when collections on hand reach this percentage, the township treasurer shall immediately account for and turn over the total amount of state and county tax collections on hand to the county treasurer, the total respective amounts of school tax collections on hand to the respective treasurers, and the total respective amounts of public transportation authority tax collections on hand to the respective public transportation authorities. The township treasurer shall

notify the secretary or superintendent of each community college district, intermediate school district, and school district applicable and each of the applicable public transportation authorities of the total amount of taxes paid to the respective treasurer or authority, which notification shall show the different funds for which the taxes were collected.

(6) Except as may be provided under section 1613 of Act No. 451 of the Public Acts of 1976, being section 380.1613 of the Michigan Compiled Laws, when a county treasurer is collecting the school district or intermediate school district levy, the county treasurer shall account for and deliver to the appropriate local governmental unit treasurer the tax collections received by the county treasurer within 10 business days after the county treasurer receives the funds.

(7) The county treasurer shall account for and deposit in the county library fund for the use of the county library board, county tax collections received pursuant to a tax levied under section 1 of Act No. 138 of the Public Acts of 1917, being section 397.301 of the Michigan Compiled Laws, within 10 business days after the county treasurer receives the funds.

(8) The county treasurer shall account for and deliver to the boards of each metropolitan transportation authority the county tax collections for transportation authority purposes received by the county treasurer within 10 business days after the county treasurer receives the funds.

(9) For taxes that become a lien in December 1984 or after 1984, an intermediate school district board or the board of trustees of a community college may provide that a local tax collecting treasurer shall account for and deliver tax collections directly to the respective intermediate school district or community college treasurer pursuant to the schedule contained in subsections (3), (4), and (5) for delivery of the respective taxes to the county treasurer. A resolution shall be adopted at least 60 days before the day taxes to be collected become a lien and shall specify the period for which the resolution is effective. Copies of the resolution shall be transmitted to each local tax collecting treasurer and county treasurer within the intermediate school district or community college district.

(10) By the fifteenth day of each month, the county treasurer shall account for and deliver to the state the collections under the state education tax act, Act No. 331 of the Public Acts of 1993, being sections 211.901 to 211.906 of the Michigan Compiled Laws, on hand on the last day of the preceding month. By the first day of each month, the county treasurer shall account for and deliver to the state the collections under the state education tax act, Act No. 331 of the Public Acts of 1993, on hand on or before the fifteenth day of the immediately preceding month. The county treasurer may retain the interest earned on the money collected under Act No. 331 of the Public Acts of 1993 while held by the county treasurer, as reimbursement for the cost incurred by the county in collecting and transmitting the tax imposed by that act. The money retained by the county treasurer under this section shall be deposited in the treasury of the county in which the tax is collected to the credit of the general fund.

(11) A treasurer who willfully neglects or refuses to perform a duty required by subsections (3) to (8) is subject to the penalty prescribed in section 119(1).

(12) Except as otherwise provided by subsection (10), interest earned by a city, township, or county on collections of taxes levied on or after November 5, 1985 before the tax collections are accounted for and delivered to the respective taxing units pursuant to this section shall also be accounted for and delivered to the respective taxing units on a pro rata basis. Interest earned by a city, township, or county on collections of taxes levied before November 5, 1985 before those collections were accounted for and delivered to the respective taxing units in compliance with the requirements of this section is not subject to claim and retroactive collection by those taxing units. However, interest earned on collections of taxes levied on or after November 5, 1985 and before December 1, 1987 are not subject to claim and retroactive collection unless a claim has been filed in a court of competent jurisdiction before March 1, 1988. This subsection does not apply to interest or penalties imposed by law or charter and does not nullify or prohibit any agreements made between a collecting unit and a taxing unit regarding the earned interest.

(13) If there is an agreement for an alternative schedule for delivering tax collections or for interest earned under subsections (4) and (12), the collection of the state education tax is subject to those provisions of that agreement.

PROPERTY TAX LIMITATION ACT

PROPERTY TAX LIMITATION ACT

Act 62 of 1933

AN ACT to provide limits on the rate of taxation on property; to provide for a division of the rate of taxation between counties, townships, municipal corporations, intermediate school districts, and other local units; to earmark funds raised by increasing the total tax limitation; to prescribe penalties and provide remedies; and to repeal all acts and parts of acts and charters and parts of charters of municipal corporations inconsistent with or contravening the provisions of this act.

History: 1933, Act 62, Imd. Eff. Apr. 25, 1933;--Am. 1947, Act 293, Eff. Oct. 11, 1947;--Am. 1994, Act 190, Imd. Eff. June 21, 1994;--Am. 1998, Act 162, Eff. Mar. 23, 1999.

The People of the State of Michigan enact:

211.211 County tax allocation board; powers and duties in determining tax rates.

Sec. 11. (1) The board shall examine the budgets and statements of local units that are filed with it, and shall determine the tax rates, exclusive of debt service tax rates, that are required pursuant to its proposed budget. The board may request additional statements and examine financial records to verify the tax rate request of a local unit. For the purpose of determining its tax rate, a local unit shall submit a statement accounting for the amount of money contained in the budget stabilization fund. In submitting the budget to the board, the amount contained in the budget stabilization fund shall not be a factor used by the board in determination of the tax rate, if that amount does not exceed the permitted level of funding for that fund as provided by law.

(2) If the board finds that the total of all tax rates that are required to be levied on property located within the area of a local unit does not exceed the net limitation tax rate, the board shall approve the tax rates as maximum tax rates, except tax rates required to be determined under subsections (3) to (8).

(3) If the board finds that the total of all tax rates that are required to be levied on property located within the area of a local unit exceeds the net limitation tax rate, the board shall proceed according to subsections (4), (5), and (6).

(4) The board shall approve minimum tax rates for the county if other than a charter county, of 3 mills; for community college districts organized after April 15, 1957, of 1/4 of 1 mill; for intermediate school districts, 1/10 of 1 mill; for townships other than charter townships, of 1 mill; and to a first-class school district to be collected and paid by the school district to the public library commission existing in the district for services of an educational nature rendered by the library to the residents of that school district, of .64 mills. If the community college district votes to increase the total tax limitation as provided in section 6 of article IX of the state constitution of 1963, the board, during the period the increase is in effect, shall not allocate the 1/4 of 1 mill minimum tax rate to the community college district, but the community college district shall raise all of its tax revenues from the amount of increase so voted. A local unit shall not be allowed a tax rate in excess of what is required pursuant to its proposed budget.

(5) The board shall divide the balance of the net limitation tax rate between all local units after due consideration of the needs of the several local units, the importance to the public of functions of local units that may have to be curtailed, the need of local units for construction or repair of public works, the proposed or accomplished transfer of functions from 1 local unit to others, and other facts or matters concerning the operations of local units that the board considers relevant. A local unit shall not be allowed a tax rate in excess of what is required pursuant to its proposed budget. The board shall approve a maximum limitation tax rate to be levied from the tax rate fixed by section 6 of article IX of the state constitution of 1963 without approval of the voters for each local unit consisting of the minimum tax rate, if any, provided in subsection (4), added to the tax rate determined under this subsection.

(6) The board shall approve a maximum tax rate for each local unit that votes to increase the total tax rate limitation as provided in the last sentence of the first paragraph of section 6 of article IX of the

state constitution of 1963, and as provided for in this act. The maximum tax rate for each local unit, with other maximum tax rates that may be levied within the area of the local unit, shall not exceed the limitation voted. In approving a maximum limitation tax rate under subsection (5) for the various local units, the board shall not take into consideration any increase of the tax rate limitation voted by a local unit.

(7) The board shall not approve a tax rate for a local unit that does not submit a budget or statements as required.

(8) The approval by the board of a maximum tax rate for a local unit, which will necessitate a reduction in the total proposed expenditures as listed in the budget of the local unit, shall not be construed as a reduction or elimination of any specific items in the list of proposed expenditures, and the board may not reduce or eliminate those specific items. A local unit, in the budget of which a reduction in the total proposed expenditure is necessitated by the action of the board, or of the state tax commission on an appeal, may revise its budget and amend and alter its tax levy to the extent made necessary by that action. Budgets previously prepared to be met from taxes levied pursuant to this act may likewise be revised.

(9) Beginning in 1994, the number of mills that may be allocated by the board under this section shall be reduced by the number of mills in excess of the mills levied under the state education tax act, Act No. 331 of the Public Acts of 1993, being sections 211.901 to 211.906 of the Michigan Compiled Laws, allocated to a local school district, other than to a first class school district for payment to the public library commission existing in the district, for school district operating purposes in 1993 and the board shall not allocate mills to a local school district for school district operating purposes.

Compiler's Note: In OAG 6480, issued November 23, 1987, the Attorney General stated: "It is my opinion, therefore, that 1987 PA 154, which fixes maximum speed limit on certain state highways, becomes effective November 29, 1987."

The People of the State of Michigan enact:

257.907 Civil infraction not crime; payment of civil fine and costs; program of treatment, education, or rehabilitation; sanctions; schedule of civil fines and costs; recommended range of civil fines and costs; certification of repair of defective equipment; collection of civil fines or costs; noncompliance with order or judgment; additional assessment; waiver of fines and costs.

Sec. 907. (1) A violation of this act, or a local ordinance substantially corresponding to a provision of this act, that is designated a civil infraction shall not be considered a lesser included offense of a criminal offense.

(2) If a person is determined pursuant to sections 741 to 750 to be responsible or responsible "with explanation" for a civil infraction under this act or a local ordinance substantially corresponding to a provision of this act, the judge or district court magistrate may order the person to pay a civil fine of not more than \$100.00 and costs as provided in subsection (4). However, for a violation of section 674(1)(s) or a local ordinance substantially corresponding to section 674(1)(s), the person shall be ordered to pay costs as provided in subsection (4) and a civil fine of not less than \$100.00 or more than \$250.00. For a violation of section 328, the civil fine ordered under this subsection shall be not more than \$50.00. For a violation of section 710d, the civil fine ordered under this subsection shall not exceed \$10.00. For a violation of section 710e, the civil fine and court costs ordered under this subsection shall be \$25.00. For a violation of section 682 or a local ordinance substantially corresponding to section 682, the person shall be ordered to pay costs as provided in subsection (4) and a civil fine of not less than \$100.00 or more than \$500.00. Permission may be granted for payment of a civil fine and costs to be made within a specified period of time or in specified installments, but unless permission is included in the order or judgment, the civil fine and costs shall be payable immediately.

(3) Except as provided in this subsection, if a person is determined to be responsible or responsible "with explanation" for a civil infraction under this act or a local ordinance substantially corresponding to a provision of this act while driving a commercial motor vehicle, he or she shall be ordered to pay costs as provided in subsection (4) and a civil fine of not more than \$250.00. If a person is determined to be responsible or responsible "with explanation" for a civil infraction under section 319g or a local

ordinance substantially corresponding to section 319g, that person shall be ordered to pay costs as provided in subsection (4) and a civil fine of not more than \$10,000.00.

(4) If a civil fine is ordered under subsection (2) or (3), the judge or district court magistrate shall summarily tax and determine the costs of the action, which are not limited to the costs taxable in ordinary civil actions, and may include all expenses, direct and indirect, to which the plaintiff has been put in connection with the civil infraction, up to the entry of judgment. Costs shall not be ordered in excess of \$100.00. A civil fine ordered under subsection (2) or (3) shall not be waived unless costs ordered under this subsection are waived. Except as otherwise provided by law, costs are payable to the general fund of the plaintiff.

(5) In addition to a civil fine and costs ordered under subsection (2) or (3) and subsection (4) and the justice system assessment ordered under subsection (14), the judge or district court magistrate may order the person to attend and complete a program of treatment, education, or rehabilitation.

(6) A district court magistrate shall impose the sanctions permitted under subsections (2), (3), and (5) only to the extent expressly authorized by the chief judge or only judge of the district court district.

(7) Each district of the district court and each municipal court may establish a schedule of civil fines, costs, and assessments to be imposed for civil infractions that occur within the respective district or city. If a schedule is established, it shall be prominently posted and readily available for public inspection. A schedule need not include all violations that are designated by law or ordinance as civil infractions. A schedule may exclude cases on the basis of a defendant's prior record of civil infractions or traffic offenses, or a combination of civil infractions and traffic offenses.

(8) The state court administrator shall annually publish and distribute to each district and court a recommended range of civil fines and costs for first-time civil infractions. This recommendation is not binding upon the courts having jurisdiction over civil infractions but is intended to act as a normative guide for judges and district court magistrates and a basis for public evaluation of disparities in the imposition of civil fines and costs throughout the state.

(9) If a person has received a civil infraction citation for defective safety equipment on a vehicle under section 683, the court shall waive a civil fine, costs, and assessments upon receipt of certification by a law enforcement agency that repair of the defective equipment was made before the appearance date on the citation.

(10) A default in the payment of a civil fine or costs ordered under subsection (2), (3), or (4) or a justice system assessment ordered under subsection (14), or an installment of the fine, costs, or assessment, may be collected by a means authorized for the enforcement of a judgment under chapter 40 of the revised judicature act of 1961, 1961 PA 236, MCL 600.4001 to 600.4065, or under chapter 60 of the revised judicature act of 1961, 1961 PA 236, MCL 600.6001 to 600.6098.

(11) If a person fails to comply with an order or judgment issued pursuant to this section, within the time prescribed by the court, the driver's license of that person shall be suspended pursuant to section 321a until full compliance with that order or judgment occurs. In addition to this suspension, the court may also proceed under section 908.

(12) The court shall waive any civil fine, cost, or assessment against a person who received a civil infraction citation for a violation of section 710d if the person, before the appearance date on the citation, supplies the court with evidence of acquisition, purchase, or rental of a child seating system meeting the requirements of section 710d.

(13) Until October 1, 2003, in addition to any civil fines and costs ordered to be paid under this section, the judge or district court magistrate shall levy an assessment of \$5.00 for each civil infraction determination, except for a parking violation or a violation for which the total fine and costs imposed are \$10.00 or less. An assessment paid before October 1, 2003 shall be transmitted by the clerk of the court to the state treasurer to be deposited into the Michigan justice training fund. An assessment ordered before October 1, 2003 but collected on or after October 1, 2003 shall be transmitted by the clerk of the court to the state treasurer for deposit in the justice system fund created in section 181 of the revised judicature act of 1961, 1961 PA 236, MCL 600.181. An assessment levied under this subsection is not a civil fine for purposes of section 909.

(14) Effective October 1, 2003, in addition to any civil fines or costs ordered to be paid under this section, the judge or district court magistrate shall order the defendant to pay a justice system assessment of \$40.00 for each civil infraction determination, except for a parking violation or a violation for which the total fine and costs imposed are \$10.00 or less. Upon payment of the assessment, the clerk of the court shall transmit the assessment collected to the state treasury to be

deposited into the justice system fund created in section 181 of the revised judicature act of 1961, 1961 PA 236, MCL 600.181. An assessment levied under this subsection is not a civil fine for purposes of section 909.

(15) If a person has received a citation for a violation of section 223, the court shall waive any civil fine, costs, and assessment, upon receipt of certification by a law enforcement agency that the person, before the appearance date on the citation, produced a valid registration certificate that was valid on the date the violation of section 223 occurred.

(16) If a person has received a citation for a violation of section 328(1) for failing to produce a certificate of insurance pursuant to section 328(2), the court may waive the fee described in section 328(3)(c) and shall waive any fine, costs, and any other fee or assessment otherwise authorized under this act upon receipt of verification by the court that the person, before the appearance date on the citation, produced valid proof of insurance that was in effect at the time the violation of section 328(1) occurred. Insurance obtained subsequent to the time of the violation does not make the person eligible for a waiver under this subsection.

Constitutionality: The Michigan School Reform Act does not violate federal and state constitutional protections, *Moore v. Detroit School Reform Board*, USCOA docket No. 00-2334 (2002).

Compiler's Note: Senate Bill 393 (SB 393) was enrolled on August 13, 2003, and presented to the governor for her approval on September 8, 2003, at 5:00 p.m. On September 18, 2003, the senate requested that the bill be returned to the senate. The governor granted the senate's request on that same date and returned the bill to that body (without objections), where a motion was made to vacate the enrollment and the motion prevailed. On September 23, 2003, the house of representatives approved a motion to send a letter to the senate agreeing with the senate's request that the governor return SB 393. Neither the Senate Journal nor the House Journal entries reveal any other action taken by the house of representatives regarding the return of SB 393. In order to determine whether SB 393 had become law, as requested, the attorney general examined whether SB 393 was recalled by concurrent action of the house of representatives and the senate within the 14-day period afforded the governor for vetoing a bill under the last sentence of Const 1963, art 4, § 33: "SB 393 was presented to the Governor on September 8, 2003, at 5:00 p.m. The 14-day period afforded for consideration, measured in hours and minutes, therefore expired on September 22, 2003 at 5:00 p.m. While the Senate had acted to recall the bill within that 14-day period (on September 18, 2003), the House did not. Its action concurring in the request to recall SB 393 was not taken until September 23, 2003. In the absence of concurrent action by both houses of the Legislature within the 14-day period, SB 393 was not effectively recalled and 'further legislative action thereon' was not authorized." The attorney general declared that "in the absence of a return of the bill with objections, SB 393 therefore became law by operation of the last sentence of art 4, § 33."  - (i) Central purchasing of equipment related to media center activities and use in the local school.

(4) Bonds or notes issued by a school district or intermediate school district under this part or section 442, 629, or 1274a shall be full faith and credit tax limited obligations of the district pledging the general funds, voted and allocated tax levies, or any other money available for such a purpose and shall not allow or provide for the levy of additional millage for payment of the bond or note without a vote of the qualified electorate of the district.

The electors present at the meeting shall determine whether the township shall enter into a contract for the use of a free public circulating library and reading room in any township, city, or village and the rate of taxation to be levied for the purpose of paying for that use if the electors decide to enter into such a contract. However, a tax so levied shall not exceed 1 mill of the state equalized valuation of the township. If a majority of those present and voting are in favor of the township contracting for the use of a free public circulating library and reading room maintained in any township, city, or village, the township board may enter into a contract and shall levy and collect the tax provided for in this subsection, which tax when collected shall be placed in a fund to be known as the "library fund". Upon completion of the investigation or after 2 years, whichever comes first, the employee shall be notified that an investigation was or is being conducted of the suspected criminal activity described in this section. Upon completion of the investigation, if disciplinary action is not taken, the investigative file and all copies of the material in it shall be destroyed.

(2) If the employer is a criminal justice agency which is involved in the investigation of an alleged criminal activity or the violation of an agency rule by the employee, the employer shall maintain a separate confidential file of information relating to the investigation. Upon completion of the investigation, if disciplinary action is not taken, the employee shall be notified that an investigation was conducted. If the investigation reveals that the allegations are unfounded, unsubstantiated, or disciplinary action is not taken, the separate file shall contain a notation of the final disposition of the investigation and information in the file shall not be used in any future consideration for promotion, transfer, additional compensation, or disciplinary action.

The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not of itself create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interests of the corporation or its shareholders or members and, with respect to any criminal action or proceeding, had reasonable cause to believe that the conduct was unlawful.

Unless otherwise provided by law or its articles of incorporation or bylaws, a corporation has the power to indemnify a person who was or is a party to or is threatened to be made a party to a threatened, pending, or completed action or suit by or in the right of the corporation to procure a

judgment in its favor by reason of the fact that the person is or was a director, officer, employee, nondirector volunteer, or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, partner, trustee, employee, nondirector volunteer, or agent of another foreign or domestic corporation, business corporation, partnership, joint venture, trust, or other enterprise whether for profit or not against expenses, including actual and reasonable attorneys' fees, and amounts paid in settlement incurred by the person in connection with the action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation or its shareholders or members. However, indemnification shall not be made for a claim, issue, or matter in which the person has been found liable to the corporation unless and only to the extent that the court in which the action or suit was brought has determined upon application that, despite the adjudication of liability but in view of all circumstances of the case, the person is fairly and reasonably entitled to indemnification for expenses which the court considers proper.

History: 1982, Act 162, Eff. Jan. 1, 1983;--Am. 1987, Act 170, Eff. Jan. 1, 1988;--Am. 1993, Act 129, Imd. Eff. July 22, 1993.

450.2563 Indemnification against expenses of director, officer, employee, nondirector volunteer, or agent successful in defense of action, suit, or proceeding referred to in §§ 450.2561 or 450.2562; authorization; determination; indemnification for portion of expenses.

(2) An indemnification under section 561 or 562, unless ordered by a court, shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee, nondirector volunteer, or agent is proper in the circumstances because the person has met the applicable standard of conduct set forth in sections 561 and 562. This determination shall be made in any of the following ways:

- (a) By a majority vote of a quorum of the board consisting of directors who were not parties to the action, suit, or proceeding.
 - (b) If the quorum described in subdivision (a) is not obtainable, then by a majority vote of a committee of directors who are not parties to the action. The committee shall consist of not less than 2 disinterested directors.
 - (c) By independent legal counsel in a written opinion.
